

Philip Arundel van der Westhuizen

vs

HMAG Gibraltar

History of Proceedings

Date	Proceedings	Documents
25/7/2010	I started working solely for God and Christ, which includes proving that the British, together with the current and former Empire and others, are the "lost tribes of Israel", and because I am also British by nature - Berit-ish is Hebrew for Covenant-men/people JAHTruth.net/britca – a keeper of The Laws/ Covenant of God.	
8/6/2012	I came to Europe on a Shengen visa in my South African passport for a second time, to continue that work here.	
3/11/2012	God sent me to Gibraltar, where the Israel tribe of Gad lives JAHTruth.net/gibfg , which explains their fierce British loyalty, to help with the work related to its very special function and destiny.	
19/11/2015	I was arrested at the time of the local elections, while handing out Christ's election manifesto - the 5 th Gibraltar Messenger Newsletter gibraltarmessenger.net/#5 , because someone was offended by the truths in it, that Gibraltar's leaders, courts and crown are criminally profiteering with man-made legislation, instead of administering The Laws of God.	
19/11/2015	I was charged, as has been the practice of persecuting God's servants for thousands of years, with "being a non-Gibraltarian in Gibraltar without a valid permit or certificate". King of kings' Bible JAHTruth.net/kofk-free/Bible Luke 21:12 But before all these, they shall lay their hands on you, and persecute [you], delivering [you] up to the churches, and into prisons, being brought before kings and rulers for my name's sake.	
19/11/2015	A charge of "distributing offensive matter" was kept in abeyance.	
21/12/2015	I lodged a written statement; Christ's irrefutable challenge-document to the magistrate and crown's jurisdiction, proving conclusively that they have no authority or jurisdiction over me: forjustice.net/challenge	

Date	Proceedings	Documents
18/1/2016	<p>I asked the Gibraltar government (Civil Status and Registrations) to give me a Gibraltar passport so that I could continue my work here for God and Christ unhindered.</p> <p>I gave them an application form and a sworn affidavit, in which I proved my Britishness plus details of Gibraltar's special destiny - under God and Christ and Their Laws - not the fraudulent legislation of Mrs. Elizabeth Battenberg (Alias Windsor) JAHTruth.net/britmon.</p>	
28/1/2016	The charge of "printing of abusive matter" (the Truth) was activated.	
2/2/2016	<p>At the first hearing, with three persons presiding - justices of the peace I learned afterwards, I conveyed that "no man can judge in his own cause" and there were two causes against them: (i) challenging their jurisdiction, and (ii) the 5th Gibraltar Messenger's truthful accusations against them.</p> <p>They ignored everything and set a another hearing date - 3/3/2016.</p>	
2/2/2016	The charge of "printing of abusive matter" (the Truth) was discontinued.	
2/2/2016	The Gibraltar government declined to assist God and Christ's work here by refusing me the passport.	
3/3/2016	<p>At the hearing I produced my 1989 Austrian Citizenship certificate, acquired by marriage, and I also clarified that The Law of God was the ONLY Law on this planet, and it forbids all legislation, thinking that both would end all proceedings against me, but the Gibraltar courts again refused to help God and Christ, and to continue to thwart instead.</p> <p>I proved, with British Empire documents, that I am British anyway; my body's 1960 birth certificate and the 2nd June 1953 Coronation Oath both referencing the British "Union of South Africa" into which my body was born, and also the UK Border Agency confirming my body's England-born granddad (Post ref: Pretoria 733594 30/6/2011), and my body's mom's and brother's British passports, but they deferred to the illogical and fraudulent legislation, also choosing to thwart God and Christ.</p>	
22/3/2016	I showed the hearing my emergency Austrian passport.	
+- 20/4/2016	I showed the hearing my full Austrian passport, but to my surprise the matter was still not dropped. I was instead asked to normalise my residence with the government of Gibraltar.	
25/4/2016	I started to periodically lodge more written statements to substantiate what I'd said, quoting God's Word and other, so that the information would be taken more seriously.	

Date	Proceedings	Documents
28/6/2016	Our Lord and Master, Christ, lodged an open letter Amicus Curiae Brief and Affidavit of Truth, in which He Biblically explained the Brexit result, and also that the world and everyone in it belonged to Him; including Gibraltar, and that I have His permission to be here. See the 6 th Gibraltar Messenger Newsletter at gibraltarmessenger.net/#6 .	
16/7/2016	The Gibraltar government refused again to assist God and Christ, by refusing my British Citizenship application, even just to process it and reply formally to me.	
18/7/2016	Christ warned of the consequences of obfuscating God and Him, which I lodged with the courts, HMAG, the passport office and the governor.	
28/7/2016	After several attempts, the Gibraltar government finally refused to accommodate my residence application, because they don't have a category for a worker for God who has no income or bank account, and despite me being self-sufficient over the four plus years that I have been here?	
23/8/2016	At the final hearing the Magistrate also declined to help God and Christ by ignoring all the arguments and warnings and sentenced me to deportation and a fine of £200.	F & G
24/8/2016	I announced my appeal to the Supreme Court, because all my submissions were simply not factually responded to.	
9/9/2016	The magistrate dropped the deportation order.	F
22/9/2016	I discovered that Gibraltar is selling British passports to high net worth very non-British persons, who front themselves here by various fraudulent legal means, which I wrote to the UK passport fraud office about; with God's very simple solution to the non-British persons invasion of British lands, and I received their reply. Both are attached.	H & I
25/10/2016	The governor also formally committed to not assist God and Christ, by not using his authority to override the Gibraltar government's decision not to give me the passport I am entitled to as a British citizen.	
12/1/2017	In response to HMAG's appeal skeleton-arguments, probably one of the most important documents ever addressed to Gibraltar, was lodged. It can be found at the end of the 8 th -Special Gibraltar Messenger Newsletter gibraltarmessenger.net/#se .	
13/1/2017	At the Supreme court appeal the Chief Justice, rejected that he should recuse himself, and also ignored all the arguments, and thereby God and Christ, and dismissed the appeal.	D & E

Date	Proceedings	Documents
25/1/2017	I filed notice of appeal to the Appeal Court.	
30/3/2017	The Appeal Court also very foolishly rejected God and Christ and dismissed my appeal.	B & C
	The JCPC can avoid the same fatal errors by very simply now acknowledging that I am British, which I undoubtedly am, so they definitely won't be perjuring themselves.	A

Also the freemasonic and other oaths, which bind the legal fraternity to each other and to Mrs. Battenberg, can safely be ignored, because they are null and void - *ultra vires ab initio*, because they contravene the First Great Commandment (Mark 12:29-31) and Deuteronomy 4:2, 12:8, 12:32 in "The Laws of God", which Mrs. Battenberg, in her Coronation Oath, "promised" to "maintain" to the "UTMOST" of her power, "So help her God", which action will show God that the JCPC has switched allegiance from Satan to Him. The UK Supreme court recently ruled that God is above the law.
